John came from England to France with his wife one year to find work. He got a good job with a big car factory. As he didn't eat food in the restaurants or smoke, he had quite a lot of money. His wife's parent were still in England and one day she got a telegram to say that her mother was ill, so John gave her some money and she went to England to see her mother.

After a week, John wanted to write a letter to her, but he couldn't read or write very well, so he went to the boss of the factory and asked him to do it for him. John told the boss what he wanted to say, and the boss wrote it down. After a few minutes John stopped, and the boss said, "Did you want to say anything else?" "Only, Please excuse the bad handwriting and spelling." John said.
